

# WELCOME TO BENHALL INFANT & PRE SCHOOL PTA

## WHAT WE DO

Welcome to the PTA, as a parent, teacher or carer you are automatically a member. Our role is to help enhance the experience of our children at school.

We provide each child a book bag and water bottle in reception as well as giving every child a gift at Christmas and Easter. We also fund a range of things that the school needs to buy or maintain. In the last year we have purchased two new games tables, a mud kitchen, musical instruments, three experience days for the whole school, and getting the timber trail mended.

## HOW WE DO THIS

We organise events to raise money, such as discos, summer and Christmas fairs. We also spend time helping maintain the playgrounds, and outside areas and generally helping the school out where we can.

## HOW TO GET INVOLVED

We appreciate that everyone has time pressures but even a small amount of that time provided in organising or helping out with events goes a long way to making a difference in your child's school experience. There is a PTA committee comprising of a Chair, Treasurer and Secretary but we are always looking for input from others, this is after all your PTA. Our next AGM is scheduled for 26th September 2023 at 7.45pm.
