

Dear Parents

School milk

All children under the age of 5 are eligible to receive free milk at school, funded by the UK Government's Nursery Milk Scheme.

All children have been registered with Cool Milk so they will automatically receive this when they first start school. Just before their 5th birthday Cool Milk will be in touch with parents to see whether or not you wish to continue with the milk. They will inform you of the cost. Don't worry if your child has an allergy we will already know about this and the teacher will ensure they do not receive the milk. Likewise if your child really does not like milk we will ensure they drink their water instead.

A portion of fresh chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It is also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com or call 0845 8542913.

Kind regards

Nicky Morris
Heateacher
